

# Dealing with a Hidden Disease in the Age of COVID-19 – Addressing the Uptick in Hate Incidents Against Asian Americans

---

**May 11, 2020**  
**12:00 pm to 1 pm PT**

---

Please join the South Asian Bar Association of Southern California for a webinar that will address the alarming escalation of hate, violence, and discrimination against Asian Americans in the wake of the COVID-19 pandemic.

Manju Kulkarni, Executive Director of the Asian Pacific Policy and Planning Council, will discuss what we have learned from the Stop AAPI Hate website and what local activists are doing to assist victims of hate and combat the policies and rhetoric that fuel intolerance.

Robin Toma, Executive Director of the Los Angeles County Commission on Human Relations, will provide an update on the L.A. County Anti-Hate Initiative and efforts being taken by the LAC Human Relations Commission with its partner organizations.
